# HISTORICAL ROUTES OF LAND AND WATER

A RURAL LANDSCAPE TO SAFEGUARD

## ACROSS BOTH SIDES OF THE PIAVE RIVER

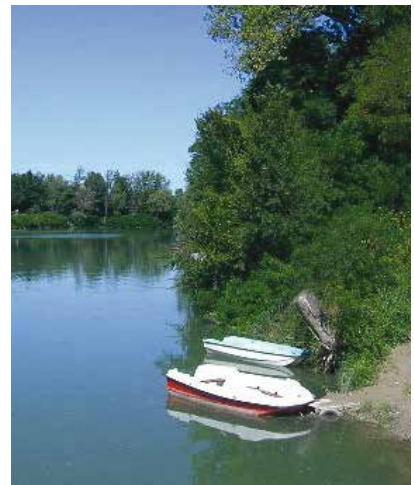

Itinerary suggested by FIAB S. Donà di Piave VIVILABICI - WWW.VIVILABICI.IT

This is a cycling-holidays route - approximately 38 km long - which develops almost entirely on secondary roads and bank tops. The succession of road surfaces (paved/dirt road) suggests the use of city bikes or mountain bikes.

DEPARTURE AND ARRIVAL:  
PIAZZA RIZZO, S. DONÀ DI PIAVE.
